Message from OHA President – Lawrence Aiken

Respected Club Members,

I have been looking for a way for the OH Anglers Club to survive into the future.

The way I see it, there are three possible outcomes for our club at the close of 2022.

- **Outcome #1** is for us to continue to do things the way we always have. The problem there is that we at Ocean Hills have not been able to fill our boats with club members and their guests for a few years now, which has made the Charter Master's job twice the work it once was to keep our club from going under financially and we have no one interested in taking on the task.

- **Outcome #2** is for the club to reduce the task to where it is manageable, in the interest of having the club survive and continue as one of many social clubs here at Ocean Hills.

If we were to eliminate our charters, we would no longer need a Charter Master and we would conduct our fishing trips as "pop-ups," meaning one or two people announce their commitment to a particular fishing boat on a specified day and ask others in the club if they would like to join them.

- **Outcome #3** is that the club dies due to lack of member interest in serving on the OHA Board.

I have spoken to no one who wants our club to perish from Ocean Hills. Personally, I have so much respect and admiration for the existence of the OH Anglers club that I am willing to put in another year of service to keep it alive, but only if there is support from others in the club. Specifically, that means we need at least 4 board members, not 2 or 3.

At our next and last meeting of the year, on October 11 at 6:30 pm we will solicit volunteers, take nominations, and vote on officers for next year.

Jerry Abshier has expressed his willingness to stay on as Treasurer. If we can elect a Vice-President and a Secretary, I would be honored to stay on as President for another year. Of course, all Board positions are open, including President and Charter Master, no one is automatically in, the vote of the club decides.

Our next and last meeting of the year is on October 11 in the Mykonos room. Please join us, as our club's future will be determined at that meeting. We need a few members to step up and take us forward.

With Hope,

Lawrence

OHA End of Year Dinner November 8th 2022

The OHA 2022 End of Year Dinner will be at: "The Old Spaghetti Factory" in San Marcos on Tuesday November 8th. Happy hour 5-6 PM (No Host Bar). The first opportunity to signup will be at the OHA Club meeting in the Mykonos room Tuesday October 11th at 6:30 PM. This event is limited to OHA members and one guest each. We are limiting attendance to 60 members and guests. There will also be \$2000.00 in raffle prizes, so come to the next meeting and signup so you don't miss the "boat".

See attached Flyer for details.

OHA Board of Directors

From Charter Master Ron

Our OHA Sept. 8th/9th overnight trip had to be canceled due to the forecast of a tropical depression reaching the San Diego fishery. It was forecasted to bring high winds, waves, and rain Friday afternoon Sept. 9th. Not a good combination for our OHA members and guests. Everyone signed up for this trip was excited to get out on the water and fish for some BFT, YFT and Dorado, however common sense must prevail.

Unfortunately, the September 28th full day trip on the Voyager had to be canceled as we ended up with only 7 anglers interested in going on that trip. The breakeven number for the club was 14 anglers.

The last OHA fishing trip of the year (possibly the last chartered trip as a club) will be an overnight offshore trip on the Voyager Thursday/Friday October 13th/14th. Leaves Seaforth landing ~8PM on Oct 13th, fish ¾ day on Fri. Oct 14th and return to Seaforth landing at ~7PM. Cost is \$370 for OHA Members and \$375 for guests. It looks like we will be fishing for Dorado, Yellowfin and maybe Bluefin Tuna. Trip price includes tip, 2 meals and an afternoon snack. We still have 4 openings on this trip, so, If you are interested in joining us, contact Ron Carso via email: ron.carso@cox.net.
