Bud DeMaris passed away on Sunday September 29 at TriCity Hopsital after suffering a severe stroke at home earlier in the week. Bud was a longtime member and past-president of the Anglers Club. When I moved into the Village in 2000, Bud was one of the first people to greet me, and we became fast friends. Bud was a great gentleman, an excellent fisherman and terrific photographer. We had many fun times together fishing in the surf and offshore. Attached is a picture of the Jackpot Yellowtail that Bud caught on our April trip this year. I will miss him greatly, but always remember the fun times that we had together. I

October Charter Master Report

Our September 12/13 overnight trip on the *Voyager* with Captain Todd Meyer was an interesting trip for the 15 anglers on board. We fished south and outside the Coronado Islands chasing Yellowfin tuna. By noon we had only landed three tuna, and Captain Todd kept looking for a school of biting fish. About 3:00 in the afternoon we located a school of cooperative fish and landed 34 more yellowfin tuna by the time we headed for home at 5:30. These were all quality fish in the 15 to 25 - pound range, and everyone on the boat caught a fish. The jackpot was won by guest Oliver Storm with a 25 lb. Yellowfin. We enjoyed a nice steak dinner on the way back to Seaforth under a full moon, arriving at 9:30. Everyone was tired but glad to catch some quality fish. The total for the trip was 37 Yellowfin and one Bluefin tuna. Our last trip of the year on the *Voyager* is October 17/18 and there may be one space available for you to sign up for the trip.
